

# **The Spoon from Minkowitz**

## **DISCUSSION GUIDE**

1. Why do you think the author was so interested in Minkowitz when she was a child?
2. Was there something that intrigued you when you were young? If so, were you encouraged or discouraged about pursuing your interest?
3. Do you have a sense that you have a mission or destiny in life?
4. People seem to show up when the author needs them. How do you explain this?
5. Is there a particular ancestor to whom you feel drawn? Do you know why?
6. Do you think we owe anything to our ancestors?
7. What is your legacy as a future ancestor?
